

# ESTABLISHING INTERNATIONAL PROGRAMS & EDUCATION ABROAD

**Monday, February 22nd, 1:30PM-2:30PM**

Please join EHE's Office of Equity, Diversity, and Global Engagement (EDGE) and representatives from the Office of International Affairs for an information session on establishing international programs and education abroad. This session will introduce interested faculty to the functions of each office, EHE's strategic priorities in global engagement, the process of how to start and maintain international partnerships, and an overview of how to develop an education abroad program. Registration is required.
